MEMORANDUM FOR: Assistant to the Director

SUBJECT: Request for Appearance before CIA Subcommittee
of House Appropriations Committee

1. Per our telephone conversation, will you bring the following to the Director's attention. Bob Michaels, the staff man for CIA matters on the House Appropriations Committee, called stating the CIA Subcommittee would like to meet with the Agency at 9 o'clock on Monday, 17 June. He pointed out that this meeting was in fact called by Mr. Mahon with the agreement of Mr. Cannon. Michaels stated the purpose was not to have a full detailed discussion of our budget which would come later, but to go over the budget picture generally including our Reserve Fund. Michaels also added that the members would simply be the four holdovers from last year, i.e., Cannon, Mahon, Sheppard, and Ford.

2. In view of the subject of this meeting, I would strongly recommend that the Director handle this with such help as may be needed from others. Will you please let me know as soon as possible the Director's wishes on this so that I can firm it up with the Subcommittee.

3. Mr. Bross has been notified and will notify General Carter.
